

COOLABUNIA CATTLE MARKET REPORT 24th JANUARY 2017

The Coolabunia combined agents sold 168 head at the prime and store sale on Tuesday 24/1/17. After the successful store sale on Friday the market was improved for all description on the last sale of 2016. With some rain around, the buyers where keen to buy some of the quality cattle on offer to re-stock. If the Australia \$ stays where it is and we keep getting some rain and there are no world disasters I think the market should remain firm.
